“ I am just sick about missing this funeral. That was one reason I had my newspapers delivered to the door. I didn't get to the mailbox until Thursday; and the funeral was held Wednesday. The Siscoe family (Mark, Gary, and Vickie) grew up with me, and were good friends of mine. I loved and admired Betty very much! I received my newspaper when I picked up my mail in my box, on Thursday..... (where I live now). I grew up on Knightridge; and they lived down the street, and near the schoolhouse...Phillips I believe....was the name of the school. Gary and I went to school together, (not at Phillips). Betty was always nice to me; and she never failed to greet and talk to me, when I went to Work One (when she was working there). Betty seemed to be always smiling! We shot a lot of baskets (out back, at my family's house)....but not sure who participated in that. I am not sure if any (or maybe all) of the kids were involved with our 4-H Club. I believe Gary was at the hospital with my family, when my first child was born. he was a good friend of her dad.
