We have known Betty for many years and loved seeing her and David at the races every week whenever they used to go. We've known Stacy and Cindy since they were very young girls. We are so sorry that we can't be with all of you today. May God be with all of you and hold you all close to get you through these difficult days. Sending lots of virtual love, hugs and prayers. We love you guys. Steve and Brenda Hanners*

“ *I will always love Betty, she was the best friend I ever had, we worked together, build a house, vacation, garage sales, crafts, and shopping blue light specials at K mart for our grandkids, it was all fun. I will always remember her laugh. So many fun nights out dancing with David and Mike, all went to fast. I will always miss her. So sorry David, you were a great couple, I know Betty will be looking out after you from heaven.*
