“ Doug, Eric and families,

*What a beautiful person your mother was! My mom cherished their friendship and always had something fun and positive to say about your mother. She was such a soft spoken, loving person. And she always had a smile. In her later years when she didn't see well, she always wanted to touch people to see who they were and always wanted to know how we were and what we were up to. I can see our moms up in heaven today, talking and sharing like no one's business.*

*I'm sorry I could not have been there to share in the service, but I'm sure your mom would understand.*

*Eric, thank you for always taking it in stride to take your mother places. We certainly enjoyed the visits shared with our family. Doug, I know you are away, and believe me, I understand that too. God bless both of you guys and your families.*

*Ann (Jones) Dyson*
