“ I met Bill at the VFW Ladies Aux. bingo which is held on Thursday and Saturday nights at the Eagles. I work in the kitchen and would take his order each night. He would get very upset when he could not think of the word he wanted or could not think of what it was called that he wanted to eat. We had our moments but he always apologized to me later after things were taken care of. There was just something about him that drew me to him. He was sweet and very nice to me 99% of the time. I was so sorry to hear of his death and will definitely miss him. I know he is at peace now and will not get aggravated about anything anymore.
