“ *I have been so sorry about the passing of a lifelong friend. I spent so many of my younger years playing softball with Bob. I remember well his skills as a catcher. I remember Jeff playing shortstop and we had so many great laughs and great times together. Bob will be truly missed. I pray for the family as they deal with this loss and have confidence that God can provide that peace that surpasses understanding. I will be thinking of you all during this difficult time.....*
