SD

I worked with Bonnie at Peoples State Bank. & we had so much fun - especially when Bonnie & Vicki would go at each other (all in fun). I had felt like Bonnie was like a Grandma to me. I used to say, "I want to be like you when I grow up" - even tho I was only 19 yrs younger. She was like the "energy bunnie". I hv good memories of those times at Peoples State Bank. Sherry Deckard
