“ *Bonnie was one of the sweetest people I have met. I worked with/for Bonnie at Clear Creek School in the cafeteria. Each day she prepared (along w/Thelma) trays of lunches*

for the students as well as the faculty/staff. The three of us laughed, cried and worked together as a team. We became close as a result of this. Bonnie saw, and succeeded in preparing food as loving as she did for her own family. She would not accept anything less!

The lunch count was one of the highest in the MCCSC system and this occurred only by the love and high expectations she had and carried thru EACH day. Mom and I spoke many times about calling Mary, Gail and Bonnie and plan a lunch or dinner get together, but it just did not happen because we couldnt seem to find the time.

Gavin, Gina, Ginger and of course your Dad were the joys of her life and very proud of all of you. I know without a doubt you lovingly cared for her in every way possible.

I sincerely loved Bonnie and can remember her sweet way and kindness and how she put her all into everything she did.

I know she will always be looking over you all and has left this journey and on to the next and has joined the love of her life, Wally. You all will be in my prayers the next while and ask God to give you the strength to say your good byes to your Mom as I can only imagine you each will in your own ways. I love Bonnie and will always think of her sweet smile. Bless you all. Becky
