“ *Kim, Jeff, Penni and Charles. I was so saddened to hear about Brad. Sorry that I could not make it to the funeral home. I can remember all the good times we had as kids growing up over the years in the ol' Highland Village. We will all miss Brad and his smile. All the kids in Highland Village always had a good time, riding bikes, building tree houses, corning houses on Halloween, camping out in the backyard. We will never forget the good old days. Just remember we will always have these memories. He is in a better place with his mom and my mom. I am sure they will be looking after him.....*
We will keep you all in our thoughts and prayers as we have for the last week.....My condolences to your family

“ We just want to let you and your family know how sorry we were to hear about Brad. He practically built our house by himself back in the late 80's. We appreciated him so much, he did a wonderful job, as I am sure he did for many others. Our sympathies go out to you and your loved ones, we pray that the Grace of our Lord Jesus will be you through these hard times, and that he will surround you with comfort.

God Bless you and your family.
