“ I just found out that Brett passed away. My mother, Angela Shatzer, lived with him for 7 years from when I was 5-12 and I have always thought of Brett as a father figure to me... I was, and still am, very shocked and saddened to hear about it. I know that he was a very good person, and somebody that I have always looked up to in life. I know how hard it is to loose somebody that you love and care about so deeply... My mother passed away as well just a little over 2 years ago, July 29th 2010. So, I just wanted to send my sincere condolences for you loss.

Brett was the guy that was always there for anyone who needed him and brought such joy to those around him. I have enjoyed many pictures he has shared and much free advice. My heart goes out to everyone that was touched by such a special person, I will miss him dearly! Sincerely, Misty

“ I first met Brett when I came to Bloomington for an EMT class through Pelham! He very graciously took me in and helped me while I was in Bloomington... Treated me like I had been a long lost friend! My 13 hour drive from Florida was grueling but he teased and joke with me... Calling me Ghost rider when I got lost... Was a joke between us... I called him Maverick... LoL We were instant friends!! We kept up with each other over the past few years and I spoke with him on his birthday in April... He sounded so happy! I will miss my friend.... Mav !! Very Sincerely,
Tiffany

“ My deepest and sincerest condolences to all family and friends. My heart and thoughts goes to all of you. Our worldwide Pelham family has lost a great friend. Brett and I have spend numerous of hours enjoying and laughing! A true friend and always there to help and get the ball rolling. I have had so many good memories with 'the man with the camera' and the man introducing me to pizza with sweet onion jam. Brett was always a good friend and a friend you could count on - and always excited when you came visiting from the other side of the big pond! All my respect! -Brian

“ I wish to express my deepest and sincerest condolences to your family. Brett was a great friend of mine when we lived in Idaho Falls. We worked together at the photo studio and he was at times the reason I would make it through the day. There are many wonderful memories of times spent with him....many, many good times with a lot of laughs. He was a truly good person. God bless him.

“ Chris, Jennifer, Lisa and Sue,

My heart goes out to all of you. Brett was kind and full of many talents. I know how much Chris admired his older brother as did I. It does not seem possible that he is gone now. Good people like you should not be forced to endure such terrible sadness. Please know my thoughts and prayers are with you.
