AINSLEIGH, this is Julie Chandler your school bus driver from last year. I am so very sorry to hear of your dad's passing. I wish there were some magic words to say to ease your pain but I know that there is not. Please know that I am thinking of you and saying many prayers for healing during this difficult time.

“ *Sometimes it seems like life is just not fair. This is one of those times. It is so hard to believe that I will never be able to have another backyard chat with the best neighbor I ever had. I will miss his humor, his smile, his big heart and his help as well..because he was so helpful to me and the kids...fixing my fence, fixing their bikes...anything that was needed by anyone. He was just a really good guy and it was a honor to know him. He will be missed and thought of often by my family. Goodby dear friend.*

“ I am so sorry for the loss of such a wonderful man. I worked with Brian for over 12 years at The Villages. I know he will be greatly missed by many people. My best memory with Brian, was in the hostage of the hedgehog, same time I grabbed the duct tape, Brian grabbed the twine to tie the hedgehog up. Those of you at The Villages during that time will remember that escapade. Val said she had lost control of her department. I think the same thing happened when we decorated his office in Princess for his birthday. He was always a good sport, but he did do paybacks. He will be missed in many ways. Prayers to his family and friends.
