

Bryan Scott Galyan

July 2, 1960 - August 15, 2025

Bryan Galyan, 65, of Bloomington passed away suddenly on the morning of August 15, 2025 at IU Health Bloomington Hospital. He was born July 2, 1960 to Homer and Barbara (Durnal) Galyan and was a 1979 graduate of Bloomington High School South.

After graduation Bryan started his employment with INDOT, where he retired and after a short time of not being able to sit still long, joined Young Trucking and had remained part of their team through his last call out on Thursday August 14, 2025.

There's two things that Bryan adored, his family, and the outdoors. He absolutely loved spending time with family. Nothing brought a smile to his face quicker than watching the kids play and laugh and it was obvious that they were a bright spot in his heart. Anyone who knew him knew he loved to hunt, fish, garden, mow, and ride his Harley. Recently, he could be found sitting on the porch or out in the garden. He would throw together a last minute cookout just to sit around talk and tell some big stories and spend time together.

Bryan is survived by; mother, Barbara Galyan, brother, Bruce Galyan, son, Dustin Galyan and his grandson Ryot Pugh who was his Pride and Joy, (all of Bloomington). He had two nephews Josh(Rose) Galyan of Solsberry, Jody(Abby) Galyan of Chrisney, and Jill(Rob) Burkhart of Spencer, and several great nieces and nephews.

“ I was a class mate of Bryan's all through elementary and middle school and high school. Thought for sure we all graduated in 1978. But, Bryan was the heart throb of Kirksville elementary school. He was so smart too. Enjoyed him tremendously and I got to see him at the Kirksville Lyons club a few years ago. So sad he's taken so young. He was a cowboy!!!
Rest In Peace find Cindy Starnes and Mark Thompson and Brenda Isom and Karen Vaught up there in Heaven Bryan. For good measures find my mom and dad too.

Bryan was my first cousin and cousin crush growing up like Luanne said he had a personality that drew you in , he was so much fun. He came up with Ideas of going up to his upstairs bedroom hiding and waiting for Bruce and Marilyn to come up to the loft type bedroom across from his and spy on them which ended up with Bruce chasing Bryan laughing all the way down the stairs till Barbra laughing at us all too and telling 🙄 us to leave them alone. We lived most of our lives in next door farms on Breeden road and got to gather almost daily riding dirt bikes or playing Basketball in what we called the block building All good times!Thanks for the toy whistle we accidentally lost in our barn,I was so upset it was special cause you gave it to me, still love the memories we made I have so many good onesTHANKS FOR THE MEMORIES LOVE YOU CUZ

I went to school with Brian from kirksville on up to high school. At kirksville it was always Bobby and Mark and Bryan and me. They were my buddies. He was always such a soft gentle person. I'm sure he's already missed. ❤️
