“ *Millie had the best laugh and always welcomed you with a hug and kiss. She loved the sun, IU basketball (she even had IU toilet paper), and loved to have a good time. The fond memories I have of her are countless. I loved her and I feel privileged to of had her as my aunt Millie. Sending love to Debbie, Jenny, Jackie, and Julie along with the rest of our family as I know we all loved her dearly and she had a huge impact on all our lives. ❤️*

“ My sympathy to Mike, Lynne and Debbie. Millie and I became close friends in high school and spent many fun, good years together with her and Jack. I know you all will miss her but pain and trials are gone. God will take care of her and Jack, as well as each of you.
