“ I am so sorry to hear of Carol's passing. I worked with Carol for a lot of years @ IU Bloomington Hospital. She was loving, kind, compassionate person who loved taking care of her patients. I loved working with Carol. We were on Orthopedics together. We were all planning to get together when the weather was better. Now I hate we didn't go ahead & meet. She will be missed. She was such a sweetheart. My prayers & thoughts will be with you this week & the coming months.

“ *Carol was a great sister in law for many years we shared our Easters at her home. There was always great food. And great memory's. My kids remember going down back of her house to the little crick and enjoy the lighting bugs and just spending time with family . Carol always had welcoming hands to all . She is going to be missed by all. Donna Brittany and Nicole Mcconnell*
