

## Carol Jean Ritchey

December 3, 1962 - March 28, 2026

Carol Jean Ritchey, age 63, of Bloomington, Indiana, passed away on March 28, 2026, at her residence.

She was born on December 3, 1962, in Indianapolis to Harold and Mary Plummer.

She graduated from Warren Central High School in 1981, and she had a career as a medical insurance coder for more than 25 years.

Carol is survived by her daughters, Abigail and Allison Ritchey; her mother, Mary Plummer; her sisters, Elaine Poole and Nancy Gartrell; and her nieces, Leslie (Mitchell) Klosterman, Cai Gartrell, and Amy (Eric) Shipp.

She was preceded in death by her father, Harold Plummer; her sister, Lea Ann Sherlock; her nephews, Doug Frazer and Ryan Frazer; and her brothers-in-law, Denny Poole and Chris Gartrell.

Carol was a kind and caring individual with a great sense of humor. She adored animals, especially her cat, Olive. Music resonated deeply with Carol, and she loved to go to concerts and dance with friends. You could find her jamming to Bruce Springsteen, Pearl Jam, Mt. Joy, Caamp and Cage the Elephant. She had a major sweet tooth and usually had an emergency supply

of chocolate or candy in her purse.

Carol loved to travel, whether it was a woodsy Brown County cabin trip with her daughters or a tropical beach getaway with her sisters and friends. She enjoyed relaxing outdoors, especially by the pool or on a patio where she could laugh and chat with the people she cared about.

Carol had an artistic streak and an appreciation for midcentury modern and Art Deco designs. She had a great sense of style, and you could usually find her decked out in rings and silver or turquoise jewelry. She was an unmatched online shopper and took pride in scoring great deals on purses or shoes on Ebay.

Carol will be remembered for her wit, kindness and love of music.

Private family services will be held on Saturday, April 11, 2026.

“ *I'll never forget sitting next to Carol on a flight to Las Vegas for a cousins' trip with my Aunt Mary as well. Neither of us enjoyed flying, so we split a "relaxation pill" to get through the flight. What a sweet and loving heart that God will cherish in heaven. My deepest sympathies and love to all of you! “ Carol and I were great friends from middle school thru high school. We spent time hanging out and getting into trouble. She slept in my front yard once in a lawn chair after a night of partying. We lost touch after graduation but I was able to reconnect with news from my husband's Facebook page. So very sorry to hear of her passing. Sending thoughts and prayers to her family and friends.
