“ Kevin & family and Connie - I am so very sorry for your loss. I worked with Carol for several years at the IU Foundation (early 1980's) and I always found her to be such a delightful person. Of course, I worked with Connie, too, at the School of Health, Physical Education and Recreation. Kevin, we have met a couple of times, but so many years ago I would never expect you to remember. I think you were playing baseball about that time.

Again, I'm so very sorry for your loss and the loss of all who knew and loved Carol Sue. Nancy Clensy

“ Dear Kevin and family,

Please accept my sincere sympathy on the passing of your Mother. I remember fondly the times we shared at Indiana University and IUF. She was a wonderful and caring woman who loved you so very much.

I regret I cannot be with you during this sad time, but I am with family in Texas.

“ Kevin,  
Was so sorry to hear about your Mother. BJ Walls called to let me know. She was a wonderful person and a great fellow IUF co-worker. I know she will be dearly missed. Wish I could be there to give you a big hug but, I am living in Florida. My thoughts and prayers are with you all.  
Love, Debbie
