“ Carolyn helped train me for my job at the Sheriff's Department in 1988. We worked together for two years and she was such a fun person! We laughed the day away and she was a patient teacher. I remember her talking about being on a channel 4 tv show, where she would sing with a band. She sang for us many times and had a lovely voice. I did miss seeing her after I got a different job. Please accept my condolences for your loss. She was a wonderful person.
