“ I met Carolyn in the 1970's. She had a beautiful spirit and a fire for God that all who were in her presence could see. She was a compassionate and caring daughter to her mother, and a guide to her sister and a partner to her brother. I know, through her sister Cynthia, how much Carolyn's family has depended on her over the years and how much she had brought joy to the world around her. She will dearly be missed. I ask the Father in Heaven to grant Carolyn's family and friends peace and comfort through this time, and healing and joy knowing that Carolyn is home with her mother and with Jesus and Our Father in Heaven. *Thank you and AMEN. And we appreciate everything that you and those of her church did for her as she journeyed in the nursing home and took her around to see the people there and gave them a hug and smile and to lift up the people there. I'm sure that lifted up my Sister as well and I remember Mom saying thank you to the Amy for taking my Sister around!!!*
