“ *Don and Family,
Judy and I are so sorry to hear of Carolyn's death. She was a very special person and a wonderful colleague. The only problem I ever had with her was that she spoke some kind of English that I had a hard time understanding, but she got better with time. I'll miss seeing her. I'm sorry we won't be able to come to her service since we are in the middle of a vacation in Florida. We send our deepest sympathies.*

“ I have very fond memories of Carolyn and I'm saddened by her passing. Carolyn hired me at the IU Foundation in 1986 and I continued to work there for 14 years! She was an incredible mentor and I'm thankful for my time with her. We talked a couple times in the past year and we reminisced about good times. I hope you find comfort and peace in memories. I'm so glad God blesses us with those. :) I'll be praying for you.
