“ Aunt Jean will always be remembered as being the fun, loving and beautiful inside and out person! She was always so nice to me and treated me like family even before Darren and I were married. My heart broke when I heard the news and thought of never seeing her in this life again, but I take comfort in knowing that it was God's plan and her work here was done. I love you, Aunt Jean, and we will see each other again!

“ *Carrol and I worked together at the employment office in Bedford. We helped clients do their job searches and other things that had to be done via computer. I also knew her through her brother Ray. Ray was in my family through an aunt. I simply loved Carrol. she was smart and always a joy to see each day. She picked up on the computer in no time at all and was happy to share her new skills with others. I smile each and ever time I think about her. She brought no sadness along with her during her daily life. Only joy and smiles... RIP Carrol. May God always be with you and your family.*
