“ Our heartfelt prayers are with you and the family. Jim was truly a unique man. We loved his sense of humor. He was always a joy to be around. The world lost a very loving, caring man but Heaven gained a great comedian. I know he is telling his jokes to Jesus and all the angels as we mourn our loss of him, he has the heaven in stitches. His smile lit up the room he was in and we are proud to have known him. May God wrap His arms around you Elise as you go through this most difficult time. Love to you and the family.

“ I'd like to send out our prayers to Jimmy's family. Although I didn't get to know him... He was my beautiful aunt Loretta's brother and from everything that I've ever heard about him, he was an amazing person! No words can ever be truly said that will make all the pain and sense of loss go away completely but I will pray that as time goes on that it will get better *One Day At A Time*

You are all in my thoughts, my heart and definately in my prayers!
