

Chad Robert Richardson

July 4, 1972 - June 4, 2025

Chad Robert Richardson was born to Linda Carol McCammon and John Robert Richardson on July 4, 1972, in Bloomington, Indiana. The date was perfectly fitting for him as he was truly an independent and free-spirited person. Chad resided in rural Lawrence County Indiana, where he peacefully passed away at his home in the company of his beloved dog, Baby, (aka Puppies), on June 4, 2025, age 52. Chad was the man that would do anything for anyone, he would put himself last if it meant helping someone he loved and/or cared about. He tried to have a hard side that he displayed, but in reality, he was all heart and one of the most caring people you could meet. He spent his days as an automotive technician at dealerships in Lawrence and Monroe counties his whole adult life. His evenings and weekends were reserved for his true passions; his dog, his RC hobby, and his friends (the order was dependent on the day). Chad's sense of humor was top tier. As a matter of fact, if you asked, he had no problem telling you just how funny he was. If there was going to be good times and humor at a get together, it was instigated and fueled by Chad. He will be greatly missed by all that knew and loved him. He was preceded in death by his mother, Linda Carol McCammon, his maternal grandparents Harold Young McCammon, Verna Imogene (Jeanie) (Hill) Glass, Kenny E. Glass and his paternal grandparents John Willis Richardson and Betty Skirvin Richardson. In addition to his dog Baby, Chad leaves behind his father John Richardson, sister Angela Mayle (Brent), niece Addison Mayle and extended family members. Chad was fortunate to

have many friends including a few that were like family to him. Special gratitude is given to Adam Christy and James Kirkwood. In lieu of flowers, the family would like you to donate to both the Lawrence and Monroe County Animal Shelters, as well as the Operation 11 Charlie organization, Thank you.

No services are scheduled at this time. Cremation Rites have been accorded.
