“ *Your family is in the thoughts and prayers of the KVSC employees. We especially wanted the kids to know that their teachers were thinking of them and missing them here.*

“ *To Richard and Charity's family, I was at the scene of the accident and did all I knew to do. I helped Richard hold Charity until the EMT's got there. I Checked her pulse and kept her in a straight position. I prayed and talked to Richard. It is very hard to put into words the situation but I am so sorry for your loss of such a precious woman. I could see the great love Richard had for her and could sense her tender personality as we waited. My heart hurts for all of you, yet I believe for her that she is with the Lord. Be patient with yourselves in this time as you grieve. With all my compassion,  
Treena*

“ Tommy & Mary,  
I am so sorry for your loss!  
me & her were the best of friends in school & I am a better person  
for having known her!  
she was at one time my sister-in-law we even had our kids together,  
may God wrap his loving arms around you as she is now in the  
arms of the angels!  
I will always love the two of you as you were like my parents &  
helped teach me about God & his wonderful compassion & mercy  
no one could ever replace Charity, but to me you will always be like  
my parents!

*I love you lots & will continue to pray for you during this time of grief*
