“ My deepest condolences to the family of Bud. I knew Bud from the bowling alley. We were teammates. We bowled together for 6-7 years. Bud was a very kind man and always had a smile on his face. he never had a cross word for anyone.
I was glad to see him acouple of months ago a Bill's Barber Shop. When he came in that smile come on his face and ask how I was doing. I responded very well how are you doing? He said with that smile again 'I'm doing wonderful'. I will miss Bud but I will have only good thoughts of a very good man.

“ Bud was a colleague in the real estate office, but he was also my friend. I called him "Charles" and he always called me "Mrs. Brown". We'd both smile. Neither of us really answered to those names.

He was an honorable, humble man who cherished his family and friends and was always ready with a smile a bit of well thought out advice.

I've missed him since he retired. He was an asset to our office.
