“ I remember my younger sister and I going swimming out in the pond at chucks place years ago. We were on an inner tube and it slipped on my sister and I. Chuckie was in the lake hollering just relax you will come to the top . Then all the sudden he is out there grabbing us both from the pond. I definitely will miss him. Rest In Heaven Chuckie

“ I remember growing up around chuck. He was always teasing and joking around. I won't forget my military dad would never show emotion or say I love you. One day Chuck went up and kissed him on the mouth and took off running. I thought my dad was gonna kill him! We all got a laugh out of that. He's was always so loving and kind. I will miss him greatly.
