“Dad, you meant the, world to me. I will never stop missing you or stop being grateful for all the sacrifices you made for me. I love you with all my heart and will see you again some day. Until then, Jesus will keep you (my kind, sweet dad) safe under his angels' wings. You were a wonderful and caring dad. I miss you in this life terribly. There will not be a single day go by that you will not be in my heart and thoughts. The memories of you and lessons you taught me will never be forgotten. I am forever grateful for all you gave to me. There are no other words to express how much I will miss our heartfelt conversations.

“With deep sympathy for the Wilber family. May God bless you during this difficult loss. Though we didn't keep in touch, Charles was my second cousin (I think). His dad and my grandpa Harley were brothers. Thinking of you.
