“ I met Fred many years ago, I knew his uncle Leon of Hinkle's Hamburgers. He used to come in my grandmas bar The Alley, he worked for Phil at The Other Bar and I have so many memories of him before and after he found his boyfriend Sean. My sincere condolences to you Sean and hope you're doing well. I wish I would have known when this happened, but Fred was a great person and dear friend.

“ Sean, and family

It saddens me to hear about Fred. So many great memories with him and you Sean. Days at Bulwinkles and Other bar, one thing for sure Pat and Tom Morrow were sure waiting with open arms to receive him, you know he is in good hands.

There will never be another "Jose Cuervo" song better done than by Lois St. Louis!!

Love and prayers

“ Sean,

Very sorry to hear about Freddie. Sorry for your loss. Great memories of him doing Delta Dawn, going to Hardin Ridge and playing "pass the kidney" and coming down to visit you two. He's going to be missed. You are in my prayers.
