“ We are so sorry to read in newspaper of Charlie's passing. We always looked up to him as a really cool person. Larry loved his cars and he lived just down the street from me so I saw him pass the house every day. I knew his Mom and Bebe better than Charley when we were young. In recent years we saw him at car shows. We thought he was a nice person and we send our condolences.

“ Sue & Jeff,  
We are deeply saddened and so sorry to hear the news of Charlie's passing. He was such a great man. I remember our visit to your old house in Martinsville when we were looking for a home a couple of years ago, Charlie was so proud to show us his cars and the yard, landscaping, etc. He was a very kind man. We will be thinking of you and the family in the difficult upcoming days and weeks that lie ahead. Sending \*Hugs\* - Drew & Natalie
