“ Bill was a great friend for over 40 years. One of my best. I first knew he was not well when he could not talk to me on the phone. I will miss him. He was a great source to me as a manager, with his ability to motivate people with his presentations on health care issues. I will miss him. My best to Sheila and his family.

“ *I much valued the years I worked with Bill at the Richard L. Roudebush VA Medical Center. His position in the District Office allowed me frequent interactions with him on District problems and Policies. He was very professional and made District business proceed expeditiously. I was also at his request his attending physician until my retirement in 2015. My wife Jackie and I send our condolences to his family and friends. May he rest in peace.*
