“ *My deepest sympathy to the Davies family. All the Wood cousins remember running thru the beautiful woods along Wildcat Creek behind Aunt Bea and Uncle Chuck's house with Chuck and Denny. I never could stop his jump shot. God bless and rest in peace Chuck.*

“ *My deepest sympathy for Chuck's family. I went to school with Chuck and was in Scouts with him. Our fathers worked together for many years. I remember Chuck was always there to help others. He sometimes scared a few people, as he was as big as life its self. He was a gentle giant. I wish you all the best in life as you move forward. Cherish the good times. God Bless, Mike Rhode*

“ Please accept my condolences. May you rely on the God of all comfort during this difficult time. He is near to those broken at heart and those crushed in spirit he saves. (Psalm 34:18) He lovingly provides us with the hope of seeing our loved ones again by means of the resurrection (John 5:28,29) We can trust this promise because God has furnished a guarantee to all men in that he resurrected him from the dead. (Acts 17:31) "Him" is Jesus Christ.

“ My sincere sympathy to the family. Chuck and I grew up together, from the Sunday school classes at Buck Creek Methodist Church to Friday night football. Many years have passed since seeing him, but still have fond memories...rest in peace.

“ Please accept my deepest sympathy in your loss. I was a classmate of Chuck's at Harrison and I believe a distance relative (or so my mother thought). My mother's maiden name was Scott. Chuck was a great athlete, but more importantly he was a friend to everyone, never being "too popular" to sit and chat with everyone. A really great guy. My condolences to all family and friends. May God speed comfort and peace to you and surround you with blessings to ease your sadness. In Christ, Susan(Bayes)Hutson
