“ I have known Christy for many years. She was always kind, friendly, and loved her family, espically her daughters very much! When I would see her several years ago and the twins were very young, she allowed Melinda to take them and my son to the circus. She was so excited for the twins to tell her of their adventures of the night! I could go on, but that is one of my favorite stories. The concert at Verizon is a close second though. I know she was chronically ill for most of her all too short life, but she tried very hard not to let it keep her down. Our condolences to the family and those who loved her. Rest in peace young lady! You will be missed!

“ To all of Christys family and friends, I am so sorry for "our" loss. I worked with Christy at Channel Kor and to know her was to love her. Her smile will live on forever. Even though I lost contact with Christy after CK closed, I still got updates on her thru our mutal friend.

Christy, you will be missed and we love you girl!

“ I am very sad to hear of Christy's passing, she was a very sweet and special girl. I enjoyed working with her at Cook and going bowling with her and a small group of girls we worked with. I have thought about her a lot since she left Cook and wondered how she was getting along. I wish that we wouldn't have lost touch. My deepest sympathies go out to her family and friends.
