“ Buddy is my 1st cousin! Our dads were brothers. Buddy liked doing genealogy of the Dillon family! The Lane family(his Mother's side), the Shepard family(our Aunt Eny's husband's side(Uncle Hillis). He was also doing The Estabrook Family(my dad Rhoderick's 1st wife's side) & the Kirk Family(my mother Rosie's side). I hope to get copies of what he did get if possible! Family means a lot even if we didn't get to see each other much! Buddy you will never be forgotten as never will Steve! You both will always have a place in my heart! Rest in peace!
