“ Condolences to the family, so sorry to hear of his passing. Clayton will be missed by many. Clayton was a great guy, he had a great sense of humor, great taste in movies and music. When my son was little we brought Clayton McDonalds and grabbed a ton of ketchup, (he really liked ketchup) and my son forever called him the Ketchup guy. Clayton loved it!  
He will be missed for sure.

So sorry for your loss. Clayton and I go way back and he helped me a great deal in mentoring staff and keeping everyone on track. We enjoyed many meals together and would occasional order extra to offer me food. I considered him to be a friend and he was a legend at the facility.
