

Coleen Grubb

June 29, 1956 - December 22, 2021

The world has lost another Angel. Coleen Grubb 65, of Bloomington Indiana passed away Wednesday December 22, 2021. May she rest peacefully in heaven in the loving arms of her husband Donald Lee Grubb Sr. They were married for over 40+ years. She was the daughter of Roscoe James and Esta Allen. She left behind 3 surviving sisters and 1 brother Sue Hetherington, Loretta Goodman, Patrica Allen, and Darrell Allen.

Coleen gave Donald three loving children 2 daughters and a Son. Sandy Kay Kidd, Kimberly Dawn Grubb, and Donald Lee Grubb Jr. She had 10 grandchildren Jimmy Norris, Isabella Grubb, Kristanie Norris, Donica Bruce, Elyssa Bruce, Hayden Grubb, Shane Norris, Nickalas Kidd, Mileena Kidd, and Melinda Kidd.

Lord called an Angel home that night of the December 22, 2021. Although we her loved ones weren't ready to let her go. I hope there's a Bingo hall up in heaven cause that's right where she'll be. Her Husband Donald will be right by her side. She always joked and said that was her break from everything. Her favorite Holiday has always been Christmas. She used to love going different places and looking at all the lights. I think she enjoyed it just as much as her kids did.

At 1pm every weekday you could find her in front of her TV with a cup of

coffee watching her favorite Sopa Opera Days of our Lives. These and many more memories she left with her family and friends. Although she is no longer with us her spirit and memories live on. That is the legacy Coleen would've wanted. Not to dwell on this saddest of time but rejoice and cherish the loving memories she left with us all.

Allen Funeral Home and Crematory have been entrusted with arrangements. Online condolences, photos and memories may be shared with family and friends at www.allencares.com

*Trust me we've got plenty of memories good n bad wellgoadly share anytime
Feel free to message us n we'll gladly give r numbers foruto ask away u n her would as probably been like her n most ok great at first till she'd settled in got confu then she could b likes hen n hen peck one constantly n make us doubt her love yet weknownow more then ever it was outta love n a lot of it was to make us stronger then Hercules I think lol but in order to handle life's challenges she definitely didn't want her loved ones to ever doubt r here strength r think they were ever weak let alone never ever dare think u were to weak to handle anything life threw at us she'd make sure we'd suck it up n march.forward head held high not dare cry in front no one use it as strength turn to anger whatever u must long as never doubt u could n would tackle anything r anybody that came ur way in life and in the end ud feel stronger weird but true n always wondered bout her love now every minute of every day it reminds me she did it outta love for me n other loved ones specially at times like this when she knew would come in are lifetime when she'd b r loss and she'd not be here for that strength she'd showed us day in day out throughout are lives as throughout her own life even before us she'd over came some great challenges and came through them stronger so that experience s she'd endured she'd kinda passed down to all her loved ones close n far*

“ *I remember when Sandy was a baby and needed a diaper change. Colleen asked for a wet wash cloth. Back then there wasn't diaper wipes. Well, I got one for her. She said "Laura Jean, don't you dare throw that wet rag at me." Now the thought hadn't even crossed my mind till she told me not to. Sure enough I threw that sopping wet rag straight at her. She chased me round mamaw's house! Lol she didn't think it was funny then. Later it was hilarious. I'm sure gonna miss her*
