“ My thoughts and prayers continue to be with the whole family. I dearly loved Connie with all my heart. She was a wonderful person and the world will never be the same. I will cherish all the memories I have of Connie and my mom and dad. My mother joined Connie 6 days later. They are no longer in pain and we will be with them again. Heaven just got to Dandy's. May your family find comfort. I love you all.

“ I want you all to know that I dearly loved Connie with all my heart. She was a special lady and I know I probably wouldn't be here right now if it wasn't for her praying for me and my family. I wish I could've made it to see you all and to say goodbye to my dear friend but I was with my Mom preparing for the same journey. My mom is with Connie now and we all have great loss to mourn. I find comfort knowing they are no longer suffering. But there is such an empty sadness in all of us left to go on without them. I love you all and I'm keeping you in my prayers.

“ Kids I want you to know how much you all are loved by us.

We feel your loss in our hearts and know she will be sorely missed by all of you.

Connie was fun loving, and we used to have a lot of fun together at Grandma and Grandpa Crouchs house and eating the best food in the world. YUM.

We think of all of that and remember with love and happiness.

Please know, I'm here if you need to talk or if I can do anything for you.
