“ To all of Connie's family and friends. Growing up in Clear Creek Church I knew several members of the George family. They are all very nice people. Connie was a few months younger than me and was a grade behind me in school. I can remember us waiting on the buses after school at BHS together with a few other friends. Connie was also the bus driver for one of my sons and then for one of my grandsons. We used to see her and Gerald a lot at the racetrack whenever we attended the races. Connie was a very special person and will be greatly missed. Keeping all of her family and friends in my prayers. May God Bless all of you. Brenda Branam Hanners

“ Connie was one of the most giving people you would ever meet. We had the privilege of knowing her most of her life. Bloomington speedway and it's fans will forever miss her smiling face and that little laugh she had. She was a godsend to us and all the racing family. Sure she will be looking for a good dirt track in heaven. Condolences to Gerald and the family. Mike and Judy Miles
