“ My earliest memories include Connie, her father Leo and mother Juanita.
We had the good fortune to know the Wamplers because my father (Alton S. Windsor) purchased the Wampler farm on E. Moores Creek Road in 1944-45. Often we would visit or contact the Wampler family, whom I remember having relocated to a house on Leonard Springs Road(?). I was too young unfortunately to now remember the visits in great detail. And regrettably, although I think both Connie and I went to Bloomington High School, perhaps we were both too shy at the time to maintain our friendship--and two years apart. Over the years I often thought of making contact because I knew she was a wonderful person. We also maintained contact with the Wamplers through visiting Dean Wampler's auto repair garage on the corner of S. Walnut and High streets.
I salute Connie and the others in her family that are no longer with us. Wonderful memories of wonderful people. Donald Windsor

“ Roger,
Thank you for loving Connie. She wouldn't have been as Happy without you! She can now be with her Mom and Dad. And Jesus. That's a great thing. It is hard to be too sad when you know that. I loved her too and have missed not talking with her in the last few months.
Thanks again for your loving care !

“ I grew up in church with Connie. She was a good person all her life. A real blessing to everyone who knew her. Always smiling and encouraging others. Connie also had an Uncle Cleo and Aunt Thelma Wampler. Cleo and Leo were twin brothers. Connie's mother, Christine was my sunday school teacher when I was a young girl. Connie is walking on streets of gold because she loved Jesus. There is a great reunion in Heaven! She will be missed.

“ So sorry that Connie is gone. I don't think she ever realized what a pretty person she was both inside and out. I have many fond and fun memories of her.

“ So sorry for your loss. I met Connie late last year when she blessed us with her presence at the health pavillion. Everyone there just loved her. She had such a great attitude. She was such a sweet lady. I know she was very special to many of you, as she was to me, as well. Your family is in my prayers. May you rest in peace, Connie.

“ I am so sorry to hear about Connie's passing. She was a hair customer of mine, but also a friend. Although she would not feel up to par, at times, you would never hear her complain. I will miss her pretty smile. She was a delight.
