“ I have fond memories of coaching Corbin in soccer at the U10 to U13 period. I believe you were #26. We had a lot of fun as we travelled the state for games and spent many a night at Karst Park working on our skills.

I was unable to find one of my favorite pictures which was of the team sitting on the rock after we won the “Nighmare at the Rock” tournament. But I did find this won which was after we won the Avon tournament. You are there in the first row, second from the left.

Your family will be in our thoughts and prayers. I will pray for courage in the days ahead, for hope and for good times of sharing the wonderful memories.

“ My nephew you will so be missed. We love you so much. Always so kind hearted and sweet. Always enjoyed watching cousins Jake and Corbin wrestle, compete with grades, etc as they grew. As an adult enjoyed our special time in California shooting pool, hitting the mountains and just chatting away. Always in our heart. Aunt Traci
