“ *Bill, Kyle, and Garret*

You're mother and I have remained close friends since high school. She always took the initiative to communicate with me even though we hadn't seen each other since the 70's. She loved all of you so much and was proud of each of you. She never once complained about anything. Always cheery and positive.

Her death is a huge loss for me. I was so hoping to see her now that Kyle moved to California.

Cindy was a wonderful person. I will miss her dearly.

God bless you all.
