“ *Tom,*

I was heartbroken to hear of Cindy's passing. We were so blessed to have her among our first staff at Hannah House. She modeled spiritual maturity, Christ's love and his grace to our residents and to our young staff. When we last spoke, Cindy said she hoped to join us again soon, this time as a volunteer. We were looking forward to that. We will keep you and your family close in our prayers. We are so, so sorry.

Cindy always talked of her great love for you, her family and especially her grandchildren. We know you will, and should, grieve, but not as those who have no hope.

*In Him,
Tina Lampke*

“ I have known Cindy and Tom for 25 years. She loved her family. She and Tom loved going out of the way places to eat or stay all night in quaint little places. We both loved staying at one of the quaint places in Nashville, Indiana. She is a beautiful person inside and out. I always loved her hair. My Mother loved talking to her even though they did not see each other often. The first time my Mother met her was the opening of the new Kroger on S. 37. She said "I just loved talking to her and she seemed so sweet". I am glad that she and Tom got to do some traveling after his retirement and enjoy their grandchildren.
Tom, Ryan, Savannah and the little ones, our prayers and thoughts are with you.
