“ So sorry to hear about Daisy's passing. We met at the hospital when both of our husbands were patients. She introduced herself to me and we visited for quite awhile. She was very helpful in comforting me and reducing my anxiety. I am very glad I met her that day. We need more people like her in this world!

“ I was lucky enough to meet Daisy while working with her at Cook. She was always on the go. Daisy was a fun loving lady who you never knew what she would say. When she had an opinion of someone she didn't hesitate to say how she felt. Just loved being around her. She's truly going to be missed. I also went to school with her kids. My thoughts and prayers are going out to Robin, MaryAnn, Jeff and Lee and the rest of the family. I remember asking her Daisy when are you going to retire? Her comment was always when they wheel me out of here on a gurney. Gonna miss you Daisy.

“ Daisy was such a warm hearted, loving friend of mine. Working along her in the Silicone room for years @ Cook, we became good friends. I remember how she would pass everyone up in the cafeteria with her power walking! I will always remember her wry humor & spunk! After she retired, we would call each other on the phone. Once my husband, John & I went to her house to visit. She kept a picture of me on her refrigerator. I cant tell you how special she was to me & just how much I shall miss her! Rest In Peace Sweet Daisy! Love, Denni Oakley
