“ My prayers and thoughts go out to you and your family. I have known Dale for many years as he was one of my fathers, Gary Hostetter's, best assistant managers at good ol' MCL. I have had the pleasure of seeing him and talking with him at lunch here at Boston Scientific as I have worked here for many years. It was great to know Dale for the many years that I did, he is a great guy indeed...he will be missed. God Bless!!!

“ I work at Boston Scientific and was so saddened to hear about your loss. It is also a great loss to us here as Dale was a special man. He worked hard and cared about people. I looked forward to seeing his smile and hearing his upbeat greetings each and every time I came to the cafe. One thing that stood out from conversation with Dale was commitment to his family and his love for his wife. "His Genie" was his world and all he needed.

You are in my thoughts and prayers.
