“ My deepest sympathy to Dale's family. I had the privilege of working with Dale at First Advantage. He was always so kind, polite, and willing to assist in any way he could. I had been trying to find a way to get in touch with him to let him know I was thinking of him, but was unsuccessful. Whenever we had discussions about non-working things, Dale spoke so highly of his family. He was proud of you. Thank you for sharing your Dad with his First Advantage family.

“ I am so sorry to hear that Dale has passed. I have been his neighbor for several years and will miss our chats when I would see him and Banjo out for his walks. He was a good neighbor and I always enjoyed having conversations about our grandkids and family and just stuff.

“ I am so saddened to hear the news of Dales passing. I worked with Dale since day one at Choicepoint/LexisNexis/FADV. We worked side by side for many years back in the Oakbrook Terrace days. I recently tried to reach out to him on Facebook when I noticed I had not heard from him in a long while. We had so many conversations about family. He loved his daughters and grandchildren with all his heart. I will miss him. My deepest heartfelt condolences to his family.

“ Dale was an excellent father so supportive of his girls allowing them to be all that they could be. I had the pleasure to coach Allison and Catherine at Lemont High School. Two finer people you'll never meet. Dale was so supportive of the teachers and coaches allowing his daughters to be responsible and follow careers that felt were important. The Chappell family is in our prayers. Allison, Catherine and Maria remember to good times , the fun and family activities you all shared.
