“ So very sorry for your loss, Theresa, Adam, Skyler, and Aiden. Dallas was a great guy, always cheerful, kind, and funny. I was the backup expeditor at the USPS plant on Vernal Pike up until August 2012 when they shut down our operations.. I just found out today from another friend. He talked often about you, Adam, and his grandsons and how much fun they had at the racetrack and the trips to the hills with the ATV's. He'd proudly show the boy's pictures to me and tell me the funny comments they'd make. Dallas will be missed, I'll pray for all of you!! Nancy

“ *My sadness knows no end. I can't believe you're gone, You were always there to support and care for me. You was always there when I needed a true friend, I'm not sure what to do without you. You were my teacher and my guide, You was good and strong, you made me into the man I am today. Your memories of the times we had Helps the pain to go away. My life will never be the same. I will miss you every day. A part of me went with you, you left a gap too big to fill; You're my father and my hero. I love you and I always will.*
