“ Damon and Allan, and the boys were so fun. I loved him like one of my own. Anytime he would see me, driving, at the mall, the minimart, he made a point of coming to me or yelling, " How you doing Momma P?" it always warmed my heart. He was a part of my family. I will believe that he is just fine where he is despite being away from us, however my children are grieving as am I. I will pray for us all tonight. I love you, buddy! We will miss you...Momma P(Laura Moore)
