“ I only met Dan once. I am the mother of Bailey's brother and sister. I know Bailey loved this man as a father. This tragedy was the worse I've seen. Dan, Joy and Bailey will be missed every single day. May God wrap his arms around your family. May He give you all peace as you enter the months ahead.

“ We didn't know Dan, but were deeply saddened at his passing. Little Bailey used to ride the bus with our kids to MCES and I'd met and seen Joy numerous times. They were a beautiful family. They will be sorely missed by many. Love and prayers, The Wood family

“ Our condolences to the Reynolds family. Barbara and I were roommates while I was recovering from hip replacement surgery a couple years ago at the Residence of McCormick's Creek Nursing Home. During that time I had the privilege of getting to know Barbara and her son Dan. What wonderful people. I still keep in contact through cards, etc. with Barbara. This deeply saddens me and want to let Barbara know we are praying for her and the rest of the family as well as the Baily's and the Little's family. Such a tragedy that no parent should have to experience. May you take comfort in knowing that they are all together with with Lord now.

“ Dear Reynolds family, I went to middle school and High School with Danny and recall fondly his quick smile, sense of humor, and friendly way with people. He was a pleasure to be around growing up and both teachers and students alike loved him. I pass along my deepest condolences.

“ My heart aches for Dan's family. He was the night in shining armour that our Joy Bailey waited her whole life for. Dan was a pleasure to be around, always smiling and joking. He was a good role model for Bailey, and he took the place of his missing dad. We will miss you Dan, along with Joy and Bailey. Thank you for being part of our extended family and for being as heroic as Joy when you both tried to save Bailey from the burning house. Be joined in the after life as you were here on earth. My heart aches for the absence of the 3 of you. Rest in peace and I'll see you again. "Aunt Ginger"

“ I met Dan (our newest tech) with BC Forward on the 4th. I had already heard such good things about him, and meeting him confirmed that. His smile was the one thing I remember the most. He seemed like such a good person and I was so looking forward to many years of working with him. We were all truly shocked and saddened by his passing. Condolences to the families for the passing of Dan, Joy and Bailey.
