“ So sorry to hear of Dan's passing. Unfortunately I was unable to attend the service, but just wanted you to know I thought Dan was a really great guy that always knew how to have a good time. I always enjoyed being around him and hearing about his corvette. He was such a hardworking and very generous man. Please know that your family is in my thoughts and prayers. Jeff Pershing

“ This man was one of a kind. He liked his beer cold and his rock n roll music LOUD. I will always cherish my childhood memories with him. He'd let Brittany and I put make up on him and do his hair. He was always the life of the party. I will forever miss his hugs and his snicker of a laugh. Love you Dan man! ❤️
