“ Dan is a great hugger! He also has great patience! I grew up with the Henlines, and spent a lot of time playing hide and seek in the house and talking Star Wars with Zeke. Chasing Jess naked in the halls and dressing Eli up in Sundays best,(we didn't have younger siblings). One time when we had a sleepover Dan was sitting on the couch in his whitey tighties watching cartoons, he got up and found gum stuck to his booty, I never saw Zeke or Dan run so fast! Another fun memory Dan and family were camping with us and Dan showed us how to make jelly filled pies on the open fire while Shawn read us ghost stories. Sending the family love and strength during this hard time. Love you all
