“ Danny was an incredible man and father. Even as a friend of his children, he made me feel like a daughter. My favorite memory of him is that years ago when I was a teen he would come and pick me up every week on his way to pick up his children from CAP where later he took us all to Taco Bell. Those Thursday's at Taco Bell were so special to me because I got to spend an evening with my high school crush. Little did I know that this crush would later become my husband and father of my children. His many pieces of advice in the car about young love and life are some I will never forget and often think back on. His constant joy and smile when seeing people he loved was contagious. We are praying for the whole McConnell family and will miss Danny dearly.

“ *As with so many others our memories of Danny has to be his beaming smile, He was also a man filled with faith, serving his God in so many ways, he was truly a servant of his Lord Jesus Christ, he had a great love and devotion to the Mother of God. He was a very special man, full of love for his neighbor, full of joy for his family and friends. Suzanne was his very special love that was so obvious when you saw them together.*
