“ *Darlene and I worked together at BBM Business and Office Machines in the 1980s. She and I and many of the ladies became very close during that time. We shared stories, laughter, and even tears when I drove Darlene for an emergency trip to her OB/GYN during her pregnancy with twins. She was one of the sweetest and most outgoing young ladies you could ever meet! It was a pleasure and honor to have known her as I did during that time and for a short time later when we would run into each other around town Bloomington. Fly High Dear Friend ~ Linda*

“ *Darlene was an amazing loving person with a heart of gold. I have so many memories with her from my childhood. My favorite time of the year was when our family was going to Indiana for our vacation because I always knew I would get to hang out with her. My Dad (Uncle Gene) use to pick on her so bad because she couldnt control her laugh. It was all in good fun. Now she is with him and her babyboy and Momma again and I know she has the biggest smile on her face. Our heart aches for the loss of her. Sending all my love, thoughts and prayers to Jerry, Jerica and the entire Burton family. We will see you again one day Cuz.*
