

Darrell Lee Bryant

August 15, 1952 - December 12, 2017

Darrell Lee Bryant, 65, voted father of the year in 1982, has passed away on December 12, 2017 at his home in Bloomington, Indiana following a battle with cancer.

He leaves behind his daughter, Hillary; his son Phillip; son in law Buddy; brothers, Charles, Andy, Harold; and sisters, Betty and Glenda; grandchildren, Dallas, Drew, Audrey, Boston, Calisi, Heather, Jeania, and Steven; great-grandchildren Taylor, Gabe, and Madison; and great-grand baby, Juliette.

In his youth Darrell enjoyed playing in the hills of Kentucky and the town of Milan with his brothers, sisters and close friends. Darrell graduated Milan High School in 1971. He was a varsity athlete playing football and running track. Darrell briefly attended Cumberland College studying to become a teacher before being drafted by the United States Army in 1972. He was promoted to the rank of Specialist and earned the National Defense Medal, and the Meritorious Service Medal before he was Honorably discharged in 1974.

Once moving to Bloomington, Indiana to start a family he was hired at Westinghouse/ABB where he worked for over twenty years. Darrell later took a position at Indiana University and retired in 2016. Darrell loved his family, sports, trivia, sports trivia, vacations with his brother Harold, sunsets, and the Indiana Hoosiers! He will be forever missed. He enjoyed his life and was loved

by his family and friends. People that talked with Darrell and shared his company will always remember their time with him. He was honest, kind, and most of all cared dearly about his family and friends. He made us feel proud and loved.

“ *I worked with Darrell at ABB Westinghouse. Darrell was always one that I sought out to have an intelligent conversation about anything; current events, sports, work. I enjoyed our talks and valued his opinions and I was always impressed with his memories of facts and statistics. John Wildman*
